- Sustainability Chair, Phi Sigma Kappa (2018): Led a team of 20 to collect recyclables around the fraternity house and trade them into a salvage yard to generate funds for the chapter.

EXPERIENCE

Crowe, Indianapolis, IN June 2022 – August 2022
Third Party Cyber Security Consultant Intern

- Participated in live security risk assessments calls for 5 clients; identified potential vulnerabilities, provided risk ratings and necessary guidance for remediation to prevent future exploitation
- Prepared 5 planning documents and 3 due diligence reports for security assessments by analyzing 100 security controls, SOC Reports, and company policies; placing all findings into the workpaper
- Simplified a step in the planning process for a client's assessment using VLOOKUP in Excel and reducing the time required by 10%

Software Solutions Integrated, Shelbyville, IL August 2021 – May 2022
Software Developer

- Developed a real-time solution using AWS SNS to allow farmers to place a pin as a meeting point and it appeared instantaneously on all other devices, allowing workers to expedite job site gatherings
- Collaborated with developers to remove Tableau license for users who were no longer active, leading to a 50% reduction in total licenses

Infosys, Indianapolis, IN February 2021 – August 2021
Software Developer

- Completed 10-week intensive training program to become an Infosys Certified Software Programmer in Front End Development with JavaScript and Angular, Object-Oriented Programming, and Relational Databases
- Maintained a discord channel with other developers that enabled over 200 associates to form relationships, provide advice, and help learn new technical concepts

TECHNICAL

-
- Certificate in Web Development, Eleven Fifty Academy Coding Bootcamp (Aug 2020 – Dec 2020): Completed 12-week immersive program with industry-guided curriculum, real-world project-based learning and 500+ hours of logged coding time and training
 - Python, JavaScript, SQL, HTML/CSS, Angular, PostgreSQL, Unit Testing, Agile

ADDITIONAL

-
- Avid golfer and marathon runner
